shifter story with a plot around the steamy scenes Von Hoener, Birgit Ever (what kind of name is that by the way?) is looking for her missing sister in a little village and gets help from the good-looking sheriff, who also happens to be a bear shifter. The inhabitants of this village can shift into anything, so not quite your usual feline-canine shifter romance, but a story well told, with a good plot and plausible characters for a story of that kind. I quite liked it.

Kurzbeschreibung Ever Jackson came to Arcadia to track down her missing sister, but was immediately met with suspicion by the strange residents. Nobody's willing to help her search, but she's determined to get to the bottom of things. Even when a pesky town sheriff decides to stick his nose where it doesn't belong, lawman or not, Ever isn't leaving Arcadia without her sister. Aidan Tucker preferred humans stay out of his Shifter town. They're a danger to his world, especially nosy ones like Ever. His job was to get the girl off Shifter land...until he got a whiff of her, and realized with a shock that the little spitfire who went back down from a fight is both human, and his mate. Well, hell. The human might get herself killed, so Aidan tags along even though she doesn't want his help. But there are secrets in his town that go beyond mere shapeshifting, some that even the Sheriff doesn't know, and Ever Jackson may be right in the middle of trouble.
