Zeitablauf stimmt nichtVon readerDas erste Buch habe ich verschlungen, und so war ich gespannt auf die Geschichte von AJ, einem sehr sympatischen Rocker.Leider konnte ich keine Sympathie fr Mia aufbringen. Ihre Bindungsnge waren weit hergeholt, besonders, da sie doch eine liebevolle, groe Familie hatte.Was meinen Lesefluss hufig

unterbrach, waren die Zeitverschiebungen. Es wurden Namen genannt und Aktionen beschrieben, die im ersten Band anders geschildert wurden. Ganz eindeutig war es dann bei der Hochzeit: AJ ist im ganzen Buch 25 Jahre, Mia 28 Jahre alt. Die Hochzeit findet 1 1/2 Jahre später statt, also ist er wohl 26 max. 27 Jahre alt. Als Blumenmädchen fungiert die "fast 3-jährige Melody", Tochter von Braydon und Lily, die beide so alt wie AJ sind. Jude, das erste Kind hatten sie mit 23 Jahren, Melody 3 Jahre später, also mit 26, sie ist jetzt 3 Jahre, ihre Eltern also 29, AJ sollte dann auch 29 Jahre alt sein. Leider bin ich eine Leserin, die auf solche Kleinigkeiten achtet, und wenn ich dann immer versuche, mich an das andere Buch zu erinnern, kann ich mich nicht auf das Aktuelle konzentrieren. Für alle, die nicht so intensiv in eine Geschichte eintauchen, ist es ein nettes Buch für den Strand. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Okay! Von Tea P. Well, I finished it. And that wasn't easy, because I just couldn't get into the story. I've read other books by Katie Ashley and I liked them far better than this one. The blurb sounded really funny and good to me. But the "handcuff-incident" wasn't that funny and it took forever until I got to that point. Although I must admit, there were some amusing things going on with Dee and also with AJ and his band mates. Mia was irritating like hell. Honestly, I've never disliked a fictional character that much before. The repetition of her insecurities and "baggage" was annoying. It almost made me quit reading this book in the middle. AJ was okay, but nothing special like I expected him to be after reading "Music of the Heart". I wished he would have been more dominant. Actually, I breathed a sigh of relief, when he finally set up some rules for stubborn and immature Mia. What I was missing the most were emotions. I didn't get why the lead characters were attracted to each other. There was lots of sex, which I usually don't mind. But even before the first date ended? I mean even before they had dinner? Call me old-fashioned, but I found this really disturbing. Anyway, I am glad I went through the whole book, because in the end it was really getting much better.

Kurzbeschreibung After years of bad relationships and a cheating ex-fiancé, twenty-eight-year-old Mia Martinelli prefers healing her patients' hearts on the Cardiac Care floor rather than risking having her heart broken again. But that all comes to a screeching halt when caring for the head roadie for Runaway Train puts her into the orbit of drummer and Latin Lover, AJ Resendiz. After a scorching weekend of steamy passion, Mia's intention of getting out with her heart unscathed is challenged by the stud with the wicked sense of humor, especially when he wants to continue seeing her. But when the harsh reality of AJ's hoard of female admirers sends her insecurities into overdrive, Mia bails, leaving him handcuffed to his bathroom shower. AJ never imagined that after two weeks of the best sex and female companionship he'd ever experienced, he would need rescued by his band mates from his shower prison. Although he tries to forget the sensual brunette whose curves made his mouth water, AJ can't get her out of his mind or his heart. Months later when he finally seeks Mia for answers as to why she left, nothing could prepare him for their life-altering reunion. Can AJ prove to Mia that regardless of the women after his body, his heart belongs only to her?
