Kurzbeschreibung Beats of Beauty is a collection of poetry and each poem inside it, unfolds a small story. The poems tell you stories of different human feelings from different aspects of our society. Rajul Tiwari wrote poems since childhood and in her words, "Poetry made me stronger" but it is now, that she gave it a serious thought to reach out to the world with her poems. The words are written to be understood in all its beauty. It is a journey in to your own heart.
