This is the second part of the series.It's all about Audrey Jace. Although we met Audrey in book one I didn't like her. However that changed after reading first

few pages of this one. We learn all about Audrey's past why she was acting the way she did when we met her before. We also get to see Jace's brother his friend again. An added bonus in this came in the form of the sexy Lane.... Audrey's friend. This is another hot fantastic book. Received in return for honest review. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Spin-offs are not always a good idea... Von Knaatschtante I loved Jay in the first book of the series and couldn't wait to learn more about him. I was however a bit put off by how different the character appeared in this book. I also wasn't sure how to take the new spin that Jason's exwife is actually his twin brother's big love, add to that how warmly she is welcomed by the lot - after all that has happened. Apart from this weakness of the plot, I sometimes find that the book rushes a bit too much through the story. The narrator browses through the events quickly and sometimes a little bit more depth would have helped making this romance more plausible... All in all I would say, there is potential but technically seen still room for improvement.

Kurzbeschreibung Jace Riley and Audrey Mills had a tender and irresistibly passionate romance until Audrey shattered his heart. Years later, she still can't stop thinking about him. They shared kisses that she'll never forget, and one brief, explosive encounter that she wishes she could. But no boy could rescue Audrey from her nightmarish home life, so she rescued herself, got through college and got into graduate school only to find herself at the same school as Jace and his identical twin brother, Jaxon, who has his own complicated history with her. It takes only one glimpse of Audrey's long legs and brown eyes for Jace to ache for her once more. Yet he's determined not to fall for her again. She ripped apart his heart and betrayed his brother so he thought. But what if Jace made a terrible mistake about Audrey? And what if he has one last chance to fix it?
