**Von Emilie Richards : Beautiful Lies** before purchasing it in order to gage whether or not it would be worth my time, and all praised Beautiful Lies:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Acceptable romance with some twists and turnsVon Bonnie GilbertWhen Liana Robertson's teenage son disappears, she is forced to work with her ex-husband Cullen Llleyn to find him.Liana and her ex-husband Cullen hate eachother, 100 years of family history has taken care of that. A beautiful pearl called The Pearl of Great Price has disappeared also, along with their son, a pearl that has ripped the families apart by greed and jealous and even murder.One hundred years ago Liana's grandfather Tom found The Pearl of Great Price only to be murdered by Cullen's great-grandfather Archer in order to own it. One hundred years of unhappiness follows the two families, passing the pearl from family to family until Liana and Cullen finally unite the two families by marriage.Now the pearl

is missing and so is their son. Liana and Cullen must face their problems to find their son and the pearl. I found this story to be boring in places, but very good in others. It went back in time too often leaving out the main characters, Liana and Cullen. Not enough romance and I left feeling like there should have been more.

Von Ein Kunde

San Francisco business woman Liana Robeson worries about her teenage son Matthew flying alone. Still, she dutifully places the lad on the plane heading to La Guardia so he can spend time camping in Maine with his father Cullen Llewellyn, whom she left ten years ago. Her neat world abruptly collapses when an irate Cullen calls, demanding to know why their son was not on the plane. A shocked Liana insists she saw him board the plane. Both conclude that Matthew vanished somewhere between San Francisco and New York. Liana and Cullen join together in a frantic search for their son. They soon realize that the infamous Pearl of Great Price, currently owned by Liana, is the target of a deadly, but unknown assailant. For the past century, the pearl found near Australia seems to have led to avarice and murder between the families. Matthew appears to be the next victim. Unless his parents, who still love each other, can stop the curse from being implemented by a dangerous, greedy culprit, Matthew is in deep trouble.

Romantic suspense fans adore Emilie Richards for her deep characters and their relationships. Novels like *IRON LACE* and *RISING TIDES* seem to touch the soul. Her latest rousing epic crosses the oceans and the century that could have only been penned by this awesome author. Truthfully, *BEAUTIFUL LIES* is a beautiful tale filled with intrigue, romance, and passionate protagonists coping with a monumental problem, making this another triumph for Ms. Richards and her readers.

This book had everything I love in a book. Great characterization, wonderful plot, the perfect combination of romance, mystery, I can't say enough marvelous things. First of all the premise of the book was realistic and believable. I never had to suspend belief because of the natural progression of the story. The characters were wonderfully drawn, especially the heroine and hero. Likeable people who overcame their fears, and learned to communicate effectively. After reading this book, I definitely have put Ms. Richards on authors that I MUST buy list.

**Kurzbeschreibung** It is a pearl so flawless it has no price. But those who possess it pay dearly. Since the day nearly a century before when it was plucked from Australian waters, the pearl has cursed the Robeson and Llewellyn families, unleashing a legacy of rivalry, greed and murder that has spanned generations and continents. Liana Robeson is now in possession of the infamous Pearl of Great Price and she, too, has experienced its high cost in heartache and tragedy. Suddenly her teenage son is missing and so is the pearl. Desperate and afraid, she turns to Matthew's father, Cullen Llewellyn. Together they embark on a heartpounding odyssey to find their son. Swept into the wild beauty of Australia, Liana and Cullen are plunged into a deadly game with a rival who will go to any lengths to possess a treasure as fatal as it is flawless.

**Kurzbeschreibung** It is a pearl so flawless it has no price. But those who possess it pay dearly.
