Von Cynthia Ogren : Beautiful Monsters (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Beautiful Monsters (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Nicht so ganz mein GenreVon Die HoldeIch bin kein Fan dieses Genres, mir ist es lieber, die Schlafzimmertr bleibt, metaphorisch gesprochen, geschlossen. Es reicht ja, wenn dem Leser klar ist, dass sich hinter der Tr etwas tut. Aber

ich nehme an, wer auf ausführliche Beschreibungen steht, kommt da auf seine Kosten. Ansonsten: Das Buch passt perfekt nach Hollywood, dem Ort der Handlung - der schone Schein ist auch den Protagonisten wichtiger, als ihnen und ihrer Beziehung gut tut.

Kurzbeschreibung "Hell is empty and all the devils are here." ~Shakespeare Hollywood: Movie Capital of the World, La La Land, Tinseltown, Hollyweird, Gomorrah, Land of Broken Dreams Hell. Makeup artist Riley Rinaldi has it all: beauty, wealth, talent, and undeniable sex appeal. But besieged by her past and the very attributes so many envy, she lives a lonely life devoid of the one commodity she cannot grasp. When sexy heartthrob Keller Cross swaggers onto the set of Beautiful Monsters, Riley's self-protective veneer cracks wide open. Her dormant passion ignites as the bad-boy actor thrusts her onto the volatile glass stage of Hollywood celebrity and down into the depths of his sordid sexual deviancy. Against a backdrop of studio politics, fame, jealousy, and unrequited love, their white-hot chemistry explodes onto the film set, incinerating their former lives and exposing the unseemly underbelly of La La Land. But does love stand a chance among the beautiful monsters?

ber den Autor und weitere Mitwirkende Cynthia Ogren is a lifelong reader, writer, and self-described word nerd. Originally from Illinois, she has lived all over the United States and has traveled extensively. She attended the University of Texas at San Antonio, majoring in psychology and English literature. Her work resum includes stints as a model, a retail department manager, and an assistant to a gynecological oncologist. Her hobbies include: maniacal reading, coffee swilling, Facebooking, gabbing on the phone, creating wild fantasies in her head while on the treadmill, weight-lifting, travel, getting lost in films and pop culture, and the quiet subversion of the system. She also enjoys intriguing conversation, art, dogs, meditation, bohemianism, ghosts, and popcorn. She's not above exceeding the speed limit or wild flirtations--and would not necessarily refuse offers that involve exotic travel and dirty martinis.
