brilliant Von Philomena (Cheekypee) Oh wow I'm speechless. I've just finished this book and it literally blew my mind. If I'm honest I was just expecting a boy meet girl kinda read. As I jumped into this book without reading the synopsis this book was a right shocker for me in a good way. I was literally gripped from start to finish. Apart from stopping to

make dinner I had to read this in one sitting. Matteo and Mae are two broken souls. Damaged from their horrific past they both don't have any hope of happiness. What's it like to feel unloved? To never laugh or smile? Then fate intervenes and they meet each other. Are they too damaged to heal? Can they be open and trust each other? This book is an emotional roller coaster. The author wrote it in such a way that I felt these characters pain. I found myself holding my breath and gasping throughout. I've got to admit that only for a blogger friend advised me not to I'd have jumped ahead and read the end. I felt as if my heart couldn't take any more. However after she talked me off that ledge I continued on. Then I needed her hand to hold towards the end. If you follow my reviews you know these feelings are rare for me. Have I mentioned I literally screamed at my partner when he tried talking to me while reading this. I was nearing the end and needed peace so yes I ranted at him for peace and quiet lol Make sure you read the warnings from the author first as this book contains triggers. I've not read anything else by this author so I'm super happy she's got more books I can get my teeth into. If your looking for a dark romance then I highly recommend this story. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Beautiful Pain Von Tina G. Die Story von Mae und Matteo erzahlt von zwei gebrochenen Seelen, die in ihrer Jugend jeweils unsagliches erlebt haben. Die Beiden werden ein Paar und kmpfen gemeinsam gegen ihre Dmonen. Ich fand die Geschichte richtig toll, die Protagonisten sind erwachsene Menschen, die sich auch so benehmen, und obwohl es sich um eine Darc Romance handelt, war es nicht zu dunkel und der Verlauf war nachvollziehbar. Und dann kam der Schluss und der Epilog und das hat mir das Buch dann ziemlich verdorben. Der Schluss hat nicht zu der Story gepasst, nach der Auflsung, die einigermassen berraschend war, war pltzlich alles rosa-rot. Und im Epilog wurden zwar noch die wichtigen Nebenfiguren kurz erwht, aber was genau mit ihnen passiert ist, wird nicht erzht. Hatte den Eindruck, dass die Autorin keine Lust mehr hatte, daher entuschte 3 Sterne. Schade!

Kurzbeschreibung Warning: This book is not for the faint of heart. If you deal with triggers, please read this book with caution. Material consists of adult content and BDSM. I was sent away for protection. Pulled from a world and forced into another, I lost myself on the way. No emotion. Only walls to hide feelings that were now masked behind a barrier. Matteo Santos opened my eyes. He helped me see through the darkness that consumed my soul. He breathed life into my lungs, gripping my heart until it beat again. With a darkness of his own, it haunted him, turning him into a beautiful Master of seduction and pain. Through trust and love, we would battle our pasts together. Before they took control...completely. "Not everything is as it seems." ~ Beautiful Pain Kurzbeschreibung Warning: This book is not for the faint of heart.
