**Von Ruth Wind : Beautiful Stranger (Mills Boon Vintage Intrigue)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Beautiful Stranger (Mills Boon Vintage Intrigue):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. I'm Hooked!Von CustomerI love romances, but it's so hard to find one that's really well-written, one that grabs me and

hangs on to my attention throughout. This one did. The heroine is the most perfectly ordinary heroine I've ever come across in a romance novel (except of course for one tiny detail). Not only that, but she's dealing with issues that I can understand. Yay! And the hero--while undeniably rugged and handsome--is also ordinary. He's just a man, like any other man...flaws and all. It's refreshing to read a story that doesn't rely on unrealistic contrivances to drag out the conflict. These are 'real' people dealing with real issues. They have their flaws and their foibles. And they work it out like adults. This book isn't just about love-at-first-sight and it's not just about sex. Yes, there's instant attraction between the hero and heroine, but there's more to their relationship than their physical attraction. These characters genuinely talk about their likes and their dislikes. They actually have a relationship based on what they have in common--which is something you don't often find in a romance novel. And the relationships the hero and heroine had with other characters also had a very strong realistic feel to them. I understood these characters' motivations and fears. In fact I felt I could empathize with them. I love that in a story! It's like meeting new friends... Another thing I enjoyed about this book was the portrayal of the twin bond... It wasn't magical, it wasn't mystical...it just *\*was\**. And that's how these things really work... It's yet another dose of realism that drew me into the story. The heroine and her twin actually seemed like two halves of the same person...and yet that seemed perfectly natural within the context of the story. I am now on a personal quest to find anything else this author may have written. It's always a pleasure to discover another favorite! :)

In this story, Marissa Pierce has recently lost a great deal of weight and has a bit more to go. Now men look at her as a desirable woman but it is Robert Martinez, the gorgeous uncle of one of her troubled students, whom Marissa wants. To Robert, Marissa's privileged background is something that will always be there, just like in her mind, Marissa will always be the fat twin no one bothers to look at. This is such a well written book, the characters are well delineated, Marissa and Robert, of course, but also the secondary ones, especially Crystal, Robert's niece. If you've never read Ruth Wind, give Beautiful Stranger a try.

Von Robin Bayne When Marissa Pierce meets Robert Martinez again after losing nearly 100 pounds, she learns he always found her "beautiful." But she doesn't quite believe it. He has to decide if her vast wealth is something he can live with, and his pregnant niece is also a factor in this story. A great read!

Kurzbeschreibung SHE NEVER KNEW LOVE UNTIL HIM Raised in a gilded cage, she was the chubby twin sister no one noticed. Now her weight loss made Marissa Pierce the kind of woman every man desired including Robert Martinez. If only she had the courage to return his seductive gaze A proud Native American, Robert resented Marissa's privileged lifestyle. Yet this elegant stranger understood his wounded heart. Now Robert was determined to show her how truly beautiful she was before the princess could escape to her ivory tower forever. The Last Roundup Red Creek, Colorado's matchmaking matriarch rounds up two bachelors for the Pierce twins!
