ABSOLUTELY FANTASTIC ! Von Ein Kunde In BEAUTY AND THE BADGE, we meet Mary Shaw, a preschool teacher who was an unfortunate witness to a murder. We also meet FBI agent Ford Devereaux, a man assigned to follow Mary in hopes of finding the jewels taken before the murder. At first, Ford believes Mary has them in her possession and is part of a smuggling ring. But after he kidnaps her, for her own safety, and gets to know her, Ford realizes that Mary is only an innocent pawn who is now being hunted by a ruthless killer. Now on the run, Ford and Mary struggle to find a safe haven and survive long enough for Mary's innocence to be proven. Love was definitely the farthest thing on their minds, and the only thing they couldn't escape. BEAUTY AND THE BADGE is a fast-paced

read that will enthrall you until the very end. You'll love it. Trust me!Luciano
