Von Marlies BontenbalA very romantic almost classic fairytale about an beauty and an beast that will capture your heart. It is even though almost classic, still original, very comforting and thrilling to read and I love it! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice twist in a popular fairy tale Von BookloverBeauty and the Beast with a new twist, this is what awaits you in this book. I liked the story overall, but it didn't light a spark during my reading, so it was just a nice read, nothing exciting. Romance only, also suitable for younger readers. Nonetheless, I liked the book, so it's 4 stars. 0 von 0 Kunden fanden die folgende Rezension hilfreich. nette Variante des Mrchens Von Viel-Lese-MausDies ist eine nette, neue Variante des bekannten Mrchens. Es gibt keine neuen, tiefen Erkenntnisse, aber die Geschichte ist gut geschrieben.

KurzbeschreibungOnce upon a time Elle made a mistake. A small miscalculation sends her through the roof of an enchanted chateau. Stranded until her broken leg mends, Elle is unwillingly forced to rely on the good will of the sour chateau owner the cursed Prince Severin. Prince Severin the commanding general and staunch supporter of his brother the crown prince is cursed to look like a beast until a maiden falls in love with him. He has given up all hope of shattering the curse, and has only disdain for Elle. Unfortunately, the pair cant seem to avoid each other thanks to the meddling of the chateaus cursed servants. Eventually Elles playful manners and Severins hidden gentleness draw the pair together. But not all love stories can end that easily. After all, Elle is not what she seems, and Severins life is placed in danger when hostilities flare between his brother and the monarchs of a neighboring country. When Elle risks everything to save Severin, will he be able to forgive her for her lies? BEAUTY AND THE BEAST is a retelling of the traditional French fairy tale. It is a story of adventure and prejudice set in a fantasy land lush with magic, assassins, princes, castles, and curses. Filled with humor, deception, and clean romance, it belongs to the series TIMELESS FAIRY TALES. The books in this series take place in the same world and can be read all together, or as individual, stand-alone books. KurzbeschreibungOnce upon a time Elle made a mistake. I am partial to the fantasy genre, but what I really love writing is stories that people find humorous. The best part about being an author, in my opinion, is connecting with readers. My passion can't be realized without you, and I genuinely want to know you and brighten your day. Check out my blog for the various ways you can interact with and contact me!
