Von Erica Monroe : Beauty and the Rake (The Rookery Rogues Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Beauty and the Rake (The Rookery Rogues Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A rake and a beauty ... a nice bookVon LadySpooksI honestly have to say that I didnt read the first two novels by Erica

Monroe in the The Rookery Rogues series but usually those Regency series can be read separately too. I think I was wrong about it if it comes to this book. The Beauty and the Rake has a story on its own but most of the characters have a lot of backstory that eventually is the storyline of the first two books and not really told in this one. I think that the reader of book 3 should know about the background of the side characters too because things would make more sense. The story is actually rather nice. Abigail Vautille is looking for her father in one of the gaming hells one night. She was once a beautiful young woman, before things happened (storyline of book 1 or 2). She grew up in Londons rookeries, now shes unable to work. Her father gambles, a lot. He cannot pay his debts so she offers Michael Strickland herself for two weeks instead of the 200 pounds her father owes him. The Inspector takes the offer knowing who she is and that her predator escaped prison and is on the look for her but he doesnt tell her. With the help of his boss he tries to make his home safe and give her nice things like his sisters old dresses. But Abigail has to leave her sister Bess behind with a neighbor and shes afraid that something may happen to her. The girl doesnt know that she is about to sell her body. Strickland doesnt want to get married. Hes the man for a nice affair but without any ties. But he likes her and her intelligence. She knows books. She likes to read and she doesnt care about delicate literature. Abigail wants to feel passion and lust. Well I think the story is pretty predictable too but better than others even not knowing about the storyline of book 1 and 2. Even after reading the whole novel I have no real clue what happened to Abigails arm, only that she is afraid of what people may say about the destroyed skin and so on thats why she always wears long gloves. I also didnt understand the relation with Poppy for sure because its also a part of the first two books as it seems to me. Nevertheless you have to like Abigail and her loyalty towards her sister and a little even towards her father. When she runs, she runs. I liked the parts when they talked about literature I marked a few books I want to give a closer look when I find time. Rating: 3***

Kurzbeschreibung Scoundrels, thieves and rebels inhabit the rookeries--where dangerous men fall in love with fierce women.
