EroticaVon mpjWhat an exquisite book! This is erotica that you can be proud to own and display and not hide in the back of your book shelf. The world Anne Rice created here is marvellous and so much more refined than in the previous three novels. The whole atmosphere of the tale is just precious and delicious, arousing both the mind and the body to extremes. The dust jacket of the hardcover is of a velvety texture and a shimmering royal blue color and so very perfectly captures the sensuous, bacchanalian nature of the book, which is simply gorgeous. Anne Rices Beautys Kingdom was so much fun to read and such a turn on, too. I feel still enchanted and very much hope that the author will return to Beautys kingdom again and again.0 von 2 Kunden fanden die folgende Rezension hilfreich. really different to the first 3 booksVon Sabine InnerhoferI have the other 3 books (as paperback, also in english language) at home, and they are some of my favorites. So i was waiting over years for a 4th book after the trilogy, and i have ordered it...But i was really disappointed. The trilogy was full of erotica, also sometimes a bit hard, but this book...was hard to read until the end. If you like the trilogy DONT buy this book.

KurzbeschreibungBefore E. L. James and Sylvia Day, there was Anne Rice: DiscoverBeautys Kingdom, the fourth novel in the bestselling Sleeping Beauty seriesMega-bestselling author Anne Rice, writing as A. N. Roquelaure, returns to the mysterious kingdom of Queen Eleanor in this new chapter of her Sleeping Beauty series. When the great queen is reported dead, Beauty and Laurent return to the kingdom they left twenty years before. Beauty agrees to take the throne, but she insists that all erotic servitude be voluntary. Countless eager princes, princesses, lords, ladies, and commoners journey to Beautys realm, where she and her husband usher in a new era of desire, longing, and ecstasy. Provocative and stirring, Rices imaginative retelling of the Sleeping Beauty myth will be adored by her longtime fans and new readers of erotica just discovering the novels. This book is intended for mature audiences. From the Hardcover edition. PressestimmenVoluptuous imagery and graphic scenes...Roquelaure pulls no punches (or holds back no spankings). The fairy-tale setting provides an apt stage, and the magical world clearly marks the erotic action as fantasy. (Kirkus)[A] thumbs-up.... BEAUTY'S KINGDOM is a delightful, immersive read, all at once playful, campy, explicit, erotic, and provocative. (Publishers Weekly)Rice's lush prose is elegant and enchanting, reminiscent of classic historical fiction in its lyrical structure and elaborate description. (Library Journal) WerbetextThe erotic Sleeping Beauty series continues with a brand new fourth novel by master storyteller and bestselling author of Interview with the Vampire, Anne Rice, writing as A. N. Roquelaure.
