Von Ein Kundeis the menage-a-trois between Laurent, Tristan and Lexius. I am a woman, and never in my life could I have imagined that a male homosexual scene would do this to me. I made love with my husband three times the same day I read this. So much emotion, love, depth and pure raw sex and hunger. It's one of the most fascinating scenes I've ever read.0 von 0 Kunden fanden die folgende Rezension hilfreich. Pretty good way to endVon Ein KundeThis one was not as good as "Claiming of Sleeping Beauty" but better than "Beauty's Release." After all the hardcore stuff, the ending is really sweet (I'm not going to give it away if you haven't read it). I love it when Beauty finally makes a temporary slave out of her suitor, and when she makes him stand on the stool--naked--and examines him all over. Laurent's character was great too.0 von 0 Kunden fanden die folgende Rezension hilfreich. Almost but not quiteVon Ein KundeAnne Rice, almost, but not quite captured something with her unique idea. Her new approach to the story was different and intriguing but fell flat with the lack of character, creativity and common sense. It would have been a wonderful read. I would have expected more from Anne Rice.

KurzbeschreibungFrom Anne Rice, author ofBeauty's Kingdom, the third book in the erotic Sleeping Beauty series Before E.L. James' Fifty Shades of Grey and Sylvia Day's Bared to You., there was Anne Rices provocative take on the timeless fairy tale Sleeping Beauty. In the final volume of Anne Rice's deliciously tantalizing erotic trilogy, Beauty's adventures on the dark side of sexuality make her the bound captive of an Eastern Sultan and a prisoner in the exotic confines of the harem. As this voluptuous adult fairy tale moves toward conclusion, all Beauty's encounters with the myriad variations of sexual fantasy are presented in a sensuous, rich prose that intensifies this exquisite rendition of Love's secret world, and makes the Beauty series and incomparable study of erotica. In it, Anne Rice, writing as A.N. Roquelaure, makes the forbidden side of passion a doorway into the hidden regions of the psyche and the heart.Pressestimmen* "One of the most wonderful, erotic, sensual books ever written" - Sting on INTERVIEW WITH THE VAMPIRE. *"a literary odyssey into a world of forbidden lust...the same kind of skillful writing that brought respectability into the works of Henry Miller, Anais Nin and D.H.
