forgetting reality :)

Kurzbeschreibung Amelia Puccini is in way over her head as a small buisness owner and decides to turn to her hunky best friend Aiden McCarthy for a night out. Throw some hard liquor into the mix to lower inhibitions and some stress relief is exactly what she will get. Friends With Benefits is approximately 4,000 words. Warning: This story contains an insanely sexy romp and may not be suitable for readers under the age of 18. Teaser: "My God, this rivals any fantasy I've ever thought up," he said as his lips moved to the sensitive skin on her neck. A groan escaped her lips as his kisses sent prickles of pleasure all over her body. "You've fantasized about me?" She asked huskily as she wrapped her legs tighter around his narrow waist, pulling him closer to her. Aiden's hands moved up her body and around to her back, seeking the clasp of her bra. "Many, many times."
