Amusing adult romance Von Kindle Junkie Lured by the synopsis, I downloaded this months ago, but have recently

read it and it is certainly deserving of a positive review. When I read contemporary romance, I like it to be amusing. This certainly was. Kept me up (too) late on a work night. The characters are believable, not overdrawn, except perhaps for supporting character and Jillian's friend, Victoria, who was outrageous. Jillian's son, Rob, was mostly absent, except when he should have been, leaving the Brian and Jillian with their mutual attraction mostly to themselves. There was a lot of frankness between the main characters, none of this incorrectly assuming what the other is thinking/wanting. I really liked the style of writing and the dialogs; there are too many amateurishly written ebooks out there. This is definitely re-read worthy and has wet my appetite for more of this series. 2 von 4 Kunden fanden die folgende Rezension hilfreich. Good read Von Aleksandra Grozdanic I really enjoyed it, even though I'm not particularly into romances nor erotica novels. It is a funny, charming and exciting book which is really worth recommending. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Tja, was soll man dazu sagen? Von CAEs war umsonst, aber ich htte mir mehr davon erwartet. Leider fehlt mir etwas Witz, zudem springt die Geschichte und ist wenig anregend. Es war nicht schlecht, aber ich bin mir nicht sicher, ob ich nochmals etwas aus dieser Reihe lesen mchte. Ich glaube eher nicht.

Kurzbeschreibung Try a romantic comedy that's heavy on the comedy and join the over one million readers who have laughed out loud. Jillian Grayson is a disillusioned divorcee and best-selling romance novelist who suddenly can't write a chapter without her hunky male heartthrob suffering erectile dysfunction, an STD, or even worse. Brian Nash is a tennis-obsessed college senior who's unlucky in love and the roommate and best friend of Jillian's son, Rob. When Rob brings Brian home for Spring Break, and Brian meets the surprisingly young and tennis passionate Jillian, their shared interest quickly develops into an intense mutual attraction. After nearly giving in to their feelings, they hatch a plan, while under the influence (of something more than just the perfect Miami night), to be Friends with Partial Benefits, complete with rules to define the boundaries. Will the lonely pair continue with this distinctive relationship, actually explore their desires, or discover all of it is a really bad idea? Friends with Partial Benefits is the first book in the sexy and hilarious series readers describe as The Girlfriends Guide to Divorce meets Sex And The City meets American Pie. If you like romantic comedy, sexy characters getting caught in compromising positions, off-the-wall explicit discussions and non-stop racy fun, then you'll love Luke Young's bestselling series. Dive head first into the series with 3,000+ five-star ratings. Find out why over 1,800,000 readers have laughed out loud at Luke Young's sexy series!
