FischerJessica Bird, nowadays best known for her vampire-romances under the name J. R. Ward, wrote several fine contemporary romance novels before her success in paranormal romance. They all

have more depth than many other romance novels and I enjoyed every single one of them a lot. 'From the first kiss' is a reissue of 'From the first', the third book in the Moorehouse Legacy series. (Beauty and the Black Sheep, His Comfort and Joy, From the First). It can be read on its own, but is more fun with the others. from the back cover: All Alex could see was her long, thick, copper-colored hair. Pale smooth skin. Lips that were naturally tinted pink. Eyes that were green like sea grass. He stopped himself. His best friend Reese might be dead. But in Alex's mind, Cassandra was still very much the man's wife. Cassandra. The forbidden woman Alex had yearned for from the first moment he'd laid eyes on her six years ago. The woman who'd been married to his best friend -- the friend he'd lost to the sea. The woman who was rebuilding his family's bed-and-breakfast...and who just might, in the process, be rebuilding his anguished heart.
