Von Amanda Hocking : Frostfire (Kanin Chronicles) before purchasing it in order to gage whether or not it would be worth my time, and all praised Frostfire (Kanin Chronicles):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Von Trollen und WechselbalgenVon K. CaywoodFrostfire von Amanda Hocking ist Teil 1 einer Triologie die sich um Bryn Aven dreht. Die Protagonistin ist vom Clan der Kanin Trolle und macht sich dort durch ihre Arbeit als Trackerin von Wechselbalgen verdient. Die Kinder der Trolle werden in reiche Menschenfamilien gegeben um dort finanziell

abgesichert zu werden und werden dann mit Volljaehrigkeit durch die Tracker gesucht und in den Clan zurueckgebracht. Bei dieser Arbeit stoest Bryn auf einen alten Widersacher und es kommt zu einer folgenschwerern Begegnung. Die Autorin hat einen leichten und lockeren Schreibstil. Ich fand die Idee der Autorin, ueber Trolle und Wechselbaelger zu schreiben sehr interessant und die Geschichte als solches war fuer mich gut durchdacht und rund. Ein gutes Buch fuer junge Leser und Freunde des Genres.

Kurzbeschreibung Frostfire by Amanda Hocking is the stunning first installment in a tale of love, betrayal and the need to belong, the Kanin Chronicles. Will she give up her dream to follow her heart? Bryn Aven is determined to gain status amongst the Kanin, the most powerful of the hidden tribes. But as a half-blood, winning respect is a huge challenge. Bryn's almost-human community distrusts people, and those from other tribes are almost as suspect. She has just one goal to get ahead: to join the elite guard protecting the Kanin royal family. And Bryn's vowed that nothing will stand in her way, not even a forbidden romance with her boss, Ridley Dresden. But her plans are put on hold when fallen hero Konstantin starts acting dangerously. Bryn loved him once, but now he's kidnapping Kanin children - stealing them from hidden placements within human families. She's sent to help stop him, but will she lose her heart in the process? Pressestimmen Her character-driven books, which feature trolls, hobgoblins and fairy-tale elements and keep the pages turning, have generated an excitement not felt in the industry since Stephenie Meyer or perhaps even J. K. Rowling (The New York Times (for the Trylle series)) A fast-paced romance . . . addictive (Guardian (for the Trylle series)) Drew me in and kept me hooked ... It has action, mystery and, thanks to a feisty heroine and brooding hero, there's a good deal of romantic tension (Sunday Express (for the Trylle series)) A paranormal romance as addictive as Twilight (Stylist Magazine (for the Trylle series)) Hocking is a paranormal YA favorite, and her latest does not disappoint. Readers will feel transported by this beautifully written story. There's adventure, heart and thrills.
