KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. LangweiligVon Carola NeuIch finde dieses Buch einfach mal nur enttäuschend. Die Geschichte ist total uninteressant

und konstruiert, viele Szenen sind einfach nur total platt und vorhersehbar und von den spritzigen, lustigen Charakteren von denen diese Bcher normalerweise leben fehlt auch jegliche Spur. Ich empfehle jedem, sich der Plum-Serie zuzuwenden, die wirklich lustig und immer wieder unterhaltsam ist. Da bekommt man mehr Unterhaltung als in der Full-Serie geboten.0 von 15 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungThis winter promises record-high temperatures-and A DESIRE that reaches the boiling point...Beaumont, South Carolina, is on "sizzle" this February. So is its newest entrepreneur, Annie Fortenberry, who has inherited her grandmother's BB. According to a local psychic she also inherited a spirit from its glory days as a brothel-not the kind of publicity the Peachtree Bed Breakfast needs if it's hosting millionaire Max Holt's upcoming wedding! If rumors of a prank-playing ghost aren't stressful enough, a mysterious man has arrived with an eye on Annie and her master suite. Wes Bridges is all leather and denim, sporting a two-day beard, straddling a Harley, and sending the BB's testosterone level through the roof. Annie's cool demeanor may be dropping as fast as Wes's jeans, but leave it to her missing ex-husband to dampen the passion! Turns out someone has done him in, and all evidence points to Annie...Wrapped up in a murder plot, Annie must find the killer, save her own neck, and get back to where she was-wrapped up in Wes's strong-loving arms...Fast-paced action, steamy sex, suspense, and lots of laughs-it's the Full series from #1 bestselling author, Janet Evanovich"Will greatly please readers with its rapid-fire dialogue, roller-coaster pace, and unconventional characters."-Booklist (starred review) on Full BloomFrom Booklist*Starred * Annie Fortenberry has knocked out Wes Bridges twice already, and he still wants to stay at her bed-and-breakfast, a former house of ill repute she's inherited from her grandmother. With a psychic/medium, perpetually tipsy handyman, aging ballerina, and kleptomaniac ghost who doesn't know she's dead as long-term residents, not to mention frequent visits from a dog named Fleas, the cat who hates him, and an absentminded 90-year-old veterinarian neighbor, the Peach Tree Bed and Breakfast is in a constant state of chaos. Now, with the discovery of Annie's missing husband's body in the garden, murder and mayhem have been thrown into the equation. Despite all of this, Annie, a prime suspect in the heinous crime, still has to finish the last-minute details of a secret, elaborate celebrity wedding she's hosting at the inn. With Wes, Annie might finally have found the love of her life--unless she learns the real reason he's checked into the Peach Tree. Part of the Jamie Swift and Max Holt series, this screwball comedy will greatly please readers with its rapid-fire dialogue, roller-coaster pace, and unconventional characters.
