Von Danielle Steel : Full Circle before purchasing it in order to gage whether or not it would be worth my time, and all praised Full Circle:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
Uninteresting and shallowVon Bill the CatI'm probably the wrong audience for any of Danielle Steel's books. I was

learned this by my girlfriend's father's ladyfriend (sounds like a Danielle Steel book in its own right!), and read it because it was there and in English. It took me a day to read, there isn't very much background detail of the 60's, in fact, I forgot it was supposed to be set in the 60's, and it's all a bit wishy-washy. I really found that it didn't matter to me what happened in the end, I just wanted to get it read and done with. What really disappointed me was the oh-by-the-way-I-almost-forgot-to-mention-that_____ (don't want to spoil it) is dead. It's written nicely, but there's very little substance. I certainly won't be borrowing any more of these books. 0 von 0 Kunden fanden die folgende Rezension hilfreich. If you're not looking for romance... Von Ein Kunde... Full Circle would be the perfect book if you're NOT looking for oh-so-romantic kind. It says about a girl called Tana who doesn't like her mother very much because she doesn't believe boys and girls can be just friends. Tana's mother didn't think of anything else but getting her daughter married. Well Tana found a wonderful friend (young man), he helped her to get through tough times like when she got raped by her mother's lover's son and her mother didn't believe her... Anyway the story is really good, and different in a way. Sarah 0 von 0 Kunden fanden die folgende Rezension hilfreich. disappointing Von S.W. OK, I can't deny it, this book was well written. But what made me throw up is the age difference, I mean what the hell! how can Tana like someone who's 30 years older than her? that's awful! this is what I really hate about Dan's books, she hooks someone who's 20 with some 1 who's 35. I don't find that interesting. all I can say about Full Circle is that it's good but so depressing. it made me cry (which proves that Danielle is a good writer) don't read this book if you are not ready to get depressed.

Kurzbeschreibung The 1960s. Kennedy. Martin Luther King. Civil rights. Viet Nam. Tana Roberts comes of age in this turbulent decade, and begins a journey that will lead her from New York to the South during the heat of racial unrest. A thoroughly modern young woman, she yearns for a career and is willing to sacrifice everything to get it. And it's only much later that Tana discovers that she can have it all. Career. Love. And peace of mind. As she comes of age, at last, and comes full circle. From the Paperback edition. Werbetext Another excellently told story of love and loss from the internationally bestselling author, Danielle Steel Kurzbeschreibung The 1960s. Kennedy. Martin Luther King. Civil rights. Viet Nam.
