Von Stormy Glenn : Full Moon Mating [Wolf Creek Pack 1] (Siren Publishing Classic Manlove) before purchasing it in order to gage whether or not it would be worth my time, and all praised Full Moon Mating [Wolf Creek Pack 1] (Siren Publishing Classic Manlove):

The beginning takes a little effort, but later on it "rolls". I like the characters but honestly, I like them more in the following volumes... This first volume isn't a must read, you can understand the following without, but it's good enough.

Kurzbeschreibung[M/M Erotic Romance] Sheriff Joe Nash couldn't have been more surprised when he answered a call to a shooting and discovered the sexiest man he had ever seen. His extraordinary response to the man told him immediately Nate is his mate. Taking a chance, Joe takes him home, hoping to convince him to stay. But Nate Summers is on the run from someone, never staying in one place for more than a few days. The tall, handsome sheriff and his offer of a safe haven intrigue Nate, but he's afraid that if he sticks around, the sheriff will discover his secret, a secret that could make the sheriff hate him.
