Von Richard Laymon : Funland before purchasing it in order to gage whether or not it would be worth my time, and all praised Funland:

KurzbeschreibungThe Funland Amusement Park provides more fear than fun these days. A vicious pack known as the Trolls are preying on anyone foolish enough to be alone at night. Folks in the area blame them for the recent mysterious disappearances, and a gang of local teenagers has decided to fight back. But nothing is ever what it seems in an amusement park. Behind the garish paint and bright lights waits a horror far worse than anything found in the freak show. Step right up. The terror is about to begin!
