For rockers, lovers and all in-between Von Jules From the first page on it was clear that this story would capture attention. And it did. I couldn't decide inbetween if I liked bad boys being bad or bad boys turning out to be amazing. I decided for amazing and seriously, I loved every page of that book. Easy reading and totally amazing.

Kurzbeschreibung For years, Cheyenne Carson clawed her way up from her meager upbringing and strove to distance herself from the skeletons of her past. Finally success is within her grasp. A journalist for the music magazine, The Sound Wave, the assignment of a lifetime just landed in her lap. An all access pass to tour with the British rock band, Fury. Their latest album went triple platinum and they've never granted interviews. Once her assignment begins, Fury's tour explodes in a Molotov cocktail of sex, scandal, and violence that threatens to ruin Fury's quest for worldwide success. Can Cheyenne navigate her treacherous path unscathed, or will the demons of her past poison her blossoming career? This is a second edition-edits have been made.
