Von L.A. Graf : Future Imperfect: The Janus Gate Book Two (Star Trek: The Original Series 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Future

Imperfect: The Janus Gate Book Two (Star Trek: The Original Series 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Keeps up the good pace!Von Stefan Seitz"Future Imperfect" is the second part of the thrilling "The Janus Gate" trilogy written by L.A. set during the changed timeline that starts during "Present Tense" the first book in this trilogy set after the events occurred in TOS episode 1x06 "The naked Time". Again the Authors get right on to the style of the Original Series and wrote the characters with great love and vivid details. Also this novel is much faster in pace and has more action sequences in it than the first. But also creates a grant story-arc of this alternate future and the places all our heroes but especially Sulu and Chekov take therein. Again L.A. shows a lot of inside-knowledge of the TOS-universe and draws a lot of references and "Easter eggs" in. And like in "Present Tense" she also gives the "minor" characters to develop and get richer.Well done again L.A. !0 von 0 Kunden fanden die folgende Rezension hilfreich. Guter Mittelroman einer TrilogieVon KundenrezensionenACHTUNG: DIESE INHALTSANGABE BEZIEHT SICH AUF BAND 1 UND 2 GEMEINSAM.Die ENTERPRISE verlsst PSI 2000, wo die Crew mit einem Virus angesteckt worden war, der alle Hemmungen zerstrt hatte. Bei der Flucht von PSI 2000 wurde die ENTERPRISE auerdem drei Tage in die Vergangenheit geschleudert.Um eine Verunreinigung des Zeitstroms zu vermeiden, begibt sich die ENTERPRISE zu dem Planeten Tlaoli, wo zuvor einige evakuierte Geologen untergebracht worden waren.Als die ENTERPRISE den Planeten erreicht, kann sie nur zwei der drei Geologenteams ausfindig machen. Einige scheinen in gut abgeschirmten Hhlen verschollen zu sein, die man nur mit althergebrachten Methoden - ohne Sensoren und Transporter - erforschen kann.Nach dem Eindringen eines Suchtrupps in die Hhlen bricht der regelmige Kontakt zwischen dem Rettungstrupp und der ENTERPRISE ab. Die Crew hat auch bald ganz andere Probleme.Fr eine endgltige Bewertung muss man sicherlich auf den letzten Teil der Trilogie warten, aber so weit ist die Geschichte sehr interessant - und hier wurde noch nicht einmal ein Viertel der interessanten Ereignisse referiert ;-)

KurzbeschreibungCapt. James T. Kirk's historic voyages have seldom been recorded fro, the vantage point of those who served "below deck" on the Starship Enterprise NCC-1701. This new trilogy reveals the courage and dedication of the men and women who constitute Kirk's crew, as well as the unearthly dangers faced by any who dare to explore the final frontier! THE JANUS GATE book two of three FUTURE IMPERFECT On a desperate rescue mission to recover their missing captain, the shuttle Copernicus and its crew have become lost in time and space, transported by a powerful subspace vortex to a hellish future time line where the brutal Gorn Hegemony has all but conquered the United Federation of Planets. Stranded on a transformed Federation colony, now a Gorn mining world worked by oppressed human slaves, Helmsman Hikaru Sulu meets an older version of a man he barely knows, Pavel Chekov, who now leads a ragtag band of freedom fighters against the Gorns. Teamed together for the first time, Sulu and Chekov must struggle to survive in a future that should never have happened!KurzbeschreibungCapt. James T.
