Navel - did I say "breathtaking"? Von YP Well, yes I did. But for the first time in the literal sense. I kept forgetting to breathe. Konrath might expand his list of murders to his readers after all :) Thanks J.A. for another page-turner that was just fabulous to read. The Urban Hunting Club shows up on the scene and is killing perverts. But there is another bad guy sorry bad girl coming back: Alex Kork. She escapes from prison and stalks Jack Daniels. Then it happens all in one single night: While Alex takes Jack's Mom and friends as hostage in Jack's own house, the three snipers of the Urban Hunting Club are surrounding her house and starting to shoot. A nightmare begins. FUZZY NAVEL is full action. The whole book plays in one single night and is really full of blood action, murder, friendship and fun. A must read!

Kurzbeschreibung Things are going well for Lieutenant Jacqueline "Jack" Daniels of the Chicago Police Department. She has solved some of the city's toughest and most high-profile homicides. Her personal life is finally in order. Her friends and family are safe and happy. And she just got a call that eased her mind like nothing else could: Alex Kork, one of the most dangerous criminals Jack ever arrested, killed herself while in jail. But things sour quickly when a group of vigilantes on a murderous spree decide to take down a cop and the people she cares about ... and they turn downright awful when Jack discovers that Kork may not be dead after all. Trapped in her house with a psycho and everyone she cares about, and unable to leave because she's surrounded by snipers, the next eight hours will be the worst of Jack's life. And that's saying something. Fuzzy Navel is Jack's fifth adventure, perfect for readers who like their mysteries with a shot of humor.
