Von Greg Sandora : Gabby, Angel of God (Angel Adventure Series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Gabby, Angel of God (Angel Adventure Series Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Faith is everythingVon Lauren AlumbaughThis is not my typical read. Bo has lost his wife, Sally, but through his faith and pure soul gets a touch of heaven. Gabby, an angel, shows Bo how amazing life can be through the love of God. I wish

Bo had been a little more grateful for the blessings he was given. But he is human and we tend to miss out on some blessings. I know why we were given the finale, but almost wished it wasn't so. Life's not always perfect. Overall the message was very positive in the book. Yes it's about faith and God so don't read it if that offends you. But your missing out!

Kurzbeschreibung In the space of time it takes for a driver to lose control of an automobile, Bos wife is taken from him. It appears he will be forever lost in a world of grief. Immersing himself in work and the care of his young children seems the only sensible solution until life takes an unexpected turn. Gabby is an Angel of God, sent to help people. In Bo she finds a willing partner to her endeavors, although all he desires is for his wife to still be alive. Against her better judgment, Gabby agrees to help, bending time so he can save his wife before the accident. But alongside her are the forces of evil, intent on disrupting the good she is doing. When Bo is taken prisoner by a malevolent and shadowy figure it's up to Gabby to come to his rescue. Will she have the strength to save him? Will Bo be able to save his wife, or will he lose her a second time? Praise for Gabby, Angel of God, and Greg Sandora: Truly one of a kind story that grabs and won't let you go. Mike. Beautifully written, a definite must read for anyone who's ever lost someone close to them. Greg Sandora never disappoints his readers, and this novel is no exception. SJDH After reading the Jack Canon series I was surprised at the soft spoken simplicity and sensitivity of the story of Gabby. . . Gabby fits in its own unique space. Having grown up in Maine, Greg Sandora is at his peak strength when writing about the city of Portland, its people and the kind of in everybody else's business culture. - Brian.

ber den Autor und weitere Mitwirkende Greg is originally from Maine. He lived and worked in Portland for years before moving to Southwest Florida. His first book, All In: The Race for the Presidency, is a Presidential Thriller, or some might say White House Thriller. Think the Crime and Passion of the Godfather meets the Romance and Innocence of Camelot. The story is packed with action and adventure. One reviewer writes: "Jack Canon's American Destiny is very intense. Early in the Book I knew I had to put my seat belt on, I was sure this was going to be one hell of a ride, and boy it was. One thing I especially appreciated in this author's Book is just how he was able to bring the story across with so many twists and turns that all came together masterfully." The sequel to All In is titled: Love, Lust and Loyalty, Women of the White House. It's a story of Kindness, Passion and Courage. It has all of the components of the first book, but leans toward a Presidential Romance Thriller. The sequel is just as action packed, but with more spice, some reviewers say it's sensual. To quote one reviewer - "Unsurpassable, this story is darn good, a real work of art. Women of the House by Greg Sandora has been written with a vibrating "passion" if that terminology didn't exist before - it does now....I found that Jack was the kind of guy I liked immediately while Sandy was just perfect - I chose to review it because of the mystery behind it." Greg's Angel Adventure Series includes Gabby, Angel of God and The Protector, Kingdom of Heaven. Both are Supernatural Romance Thrillers involving an angel, Gabby, and a man named Bo. During a visit to Bar Harbor, Maine Bo encounters a beautiful angel named Gabby; quite accidentally, he is told - she wasn't supposed to make him aware of her existence. His purity of spirit, kindness and capacity for love has revealed her to him. He falls hopelessly in love with the beautiful creature, as humans cannot resist angels. Both books fit nicely in the Supernatural, Romantic Thriller, and Paranormal and Time Travel genres. All Greg's books have adventures and thrills, are fast paced and have hilarious moments.
