HOT!Von MAYA-ANGELThe Protectors - Book 9At first this Hawk guy is a little annoying, treating sweet Rorie so bad, but he just wants her safe and out of trouble and the only way to keep her safe is to break her. But soon he realizes that sweet little Rorie is determined to be part of the rescuing mission so Gabriel just have to make sure Rorie gets out of it unharmed. Falling helplessly in love with her was not his plan, but even a tough guy like Hawk have to eventually accept his fate...Summary:Gabriel Hawk was every mother's worst nightmare and every daughter's secret fantasy. Unless that daughter was Rorie Dean! Unfortunately, the dark, brooding man with a heart of stone and a body that yelled sex was Rorie's only chance of finding her nephew....And Rorie would face any danger to rescue the boy. But

days trekking through the jungle, dodging bullets and chasing a trail of lies were nothing compared to the look in Gabriel's eyes or the passion she found in his arms. Was it just the moment -- or was it love?
