Von Samantha James, Sandra Kleinschmidt : Gabriel's Bride before purchasing it in order to gage whether or not it would be worth my time, and all praised Gabriel's Bride:

Hurray for the heroine.Von Ein KundeI found Gabriel's Bride to be suspenseful, but the romance was not all that believable. Gabriel was a bitter man because his mother died and his father never loved either of them. Because of this, he swayed between treating Cassie like dirt and trying to seduce her. I like the way the author made Cassie a fiery and outspoken woman and how she brought Gabriel and his father together. The romance between Cassie and Gabriel was a bit rugged and I disliked the way he was always threatening or trying to humiliate her. Though I didn't find this story to be as good as her others, I would still buy Samantha James books.1 von 1 Kunden fanden die folgende Rezension hilfreich. Gabriel, Gabriel, Gabriel,Von Ein KundeI loved reading this book, it is my first novel by Samantha James, and I must say I was not dissapointed. I am going out and buy more of her books. Cassie and Gabriel's story touched me deeply, because in some ways it reminds me of myself, I loved her fire, she stood up to Gabriel and his awful tight fisted arrogant father, and I loved her for it. WAY TO GO CASSIE!!!! The characters were strong and sure not weepy and sleepy. Gabriel gave and Cassie definitely did not take. Way to go Samantha James, more characters like Cassie Gabriel!!!!1 von 1 Kunden fanden die folgende Rezension hilfreich. Don't Waste Your Money!Von Ein KundeThis book is utter trash. The characters are one-dimensional at best. The author attempts to show emotion through adjectives. The characters are neither interesting nor lovable. Gabriel is forever threatening rape and generally doing mean and hurtful things to Cassie. The period is not believable, and neither is the romance. I bought this book based on the other reviews and wish I'd saved my pennies.

KurzbeschreibungTrapped by duty -- and the demands of his cruel,unyielding father -- Lord Gabriel Sinclair, the dark and moody Earl of Wakefield, is being forced to find a bride. But Gabriel plans an exquisite revenge on his cold-hearted parent: wedding the sultry, low-born Yankee wench who tried to steal his watch. Ragged and beautiful Cassie McClellan is desperate to escape her life of poverty -- and, therefore, willingly accepts the handsome, arrogant aristocrat's offer of marriage in name only. But neither is prepared for the awakening passions that will bind their fragile, damaged hearts -- or the blistering, sensual need that comples them both to surrender body and soul.KurzbeschreibungTrapped by duty -- and the demands of his cruel,unyielding father -- Lord Gabriel Sinclair, the dark and moody Earl of Wakefield, is being forced to find a bride.
