erschreckenden absolutistisch geführten, sehr gewohnungsbedürftigen Welt. Kinder gibt es zwar, doch werden die blicherweise ohne Kontakt zu den Eltern aufgezogen. Die 35-jährige Chasidah Bergren ist diesbezüglich eine Ausnahme; sie wurde von ihrer Mutter, die bereits vor 20 Jahren gestorben ist, aufgezogen. Der Bruder wurde bei der Scheidung dem Vater zugesprochen, der den Sohn normal, also in der Krippe, erziehen liess. Chaz sei als Captain in der sechsten Flotte Schuld am Tod von Kollegen, weshalb sie verurteilt wurde. Sie soll ihr Leben auf dem Gefängnisplaneten Moabar verbringen, auf dem alle innert Krze sterben, entweder durch Gewalt, durch Krankheit oder durch das lebensfeindliche Klima. Der Schmuggler Gabriel Ross Sullivan rettet Chaz in einer waaghalsigen Aktion aus dieser Hölle, er braucht ihre Hilfe, um ein bles Komplott aufzudecken und zu verhindern. Sully verfügt über geheimnisvolle Fähigkeiten, die ihn zum Aussenseiter machen. Seit langem ist er in Chaz verliebt und versucht sie für sich zu gewinnen, seine Geheimnisse aber stossen Chaz ab. Die Planeten, künstlich oder natürlich, finde ich nicht so interessant, dafür umso mehr die verschiedenen Lebenswesen und ihre Interaktionen. Etwas bertrieben beschrieben ist der Traummann Sully, aber es ist ja Fiction. Die Geschichte ist spannend erzählt und darauf angelegt, weiterzugehen. Vieles wird angedeutet und macht neugierig auf mehr Informationen. Macht Spass. 5 von 6 Kunden fanden die folgende Rezension hilfreich. Fantastic SciFi-Romance! Von Cassandra This book had me glued to the pages from beginning to end. Linnea Sinclair does a superb job of mixing romance and science fiction. Different from other authors who either write plot-driven s/f or romance that accidentally takes place in space, this one is the perfect combination. It has a fine cast of well-developed characters, an intriguing storyline, enough technical detail to sound genuine but never so much that it gets boring, a strong supernatural theme, and a wonderfully emotional and moving love story. I absolutely loved everything about it!! I have also read "Accidental Goddess" which everybody thinks is the better book (and it is a great book, no doubt) but I liked this one better because it was more emotionally gripping. Besides I just loved the male lead (I can never resist a tortured hero :-). The chemistry between hero and heroine was great, too, their dialogue often amusing. Please Ms. Sinclair write another book like this one! 13 von 16 Kunden fanden die folgende Rezension hilfreich. Recommended! Von Detra Fitch Captain Chasidah Bergren was stripped of her command and sent to Moabar, a harsh prison world. The LAST person she expected to rescue her would be a mercenary named Gabriel Ross Sullivan! Chaz had been one of the Fleet's officers that often hunted his ship and caused him endless troubles. Sully had rescued her for more than one reason. The only one he told her of, though, was his need for her knowledge of the system. Chaz had the inside information, know-how, and codes that was needed to complete his extremely dangerous mission. Sully's other reason was personal. His feelings for her! However, Sully had a deep, dark secret. Anyone who found out, even his closest friends, would instantly loath him! To gain Chaz's heart he planned to keep his secret from her forever. Yet, little-by-little, Chaz saw pieces of what Sully tried to hide. Now he could only shield her as much as possible or pray for a miracle! ***** Wonderful story! There is a couple of times it slowed down too much for my personal taste, but not enough to ever dampen my interest. Everytime I thought I knew all of Sully's personal secret, I was proved wrong. The author added spicy co-characters, a few of which are almost as fascinating as the main characters! In fact, it is so well written I could almost believe these characters existed out in space somewhere! Recommended! ***** Reviewed by Detra Fitch of Huntress Reviews.
