I love itVon BeckyIt really took some time to finally decide to read this book and it was totally worthy.I feel in love with the book.I cant wait for the third book, hope it is as good as the first two parts.This book shows real love, is totally romantic.0 von 2 Kunden fanden die folgende Rezension hilfreich. A romance with Dante backgroundVon cgThis is a

romance - I didn't find myself very engaged with any of the protagonists though - I guess the depraved man and virgin girl setup just doesn't work for me. Some of the Dante facts were interesting enough to make up for it, so I didn't hate it altogether. I also liked how the plot is based on the orchard scene - very romantic.
