**Von Alan Hardy : Gabriella (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Gabriella (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great writingVon Christoph Fischer"Gabriella" by Alan Hardy is an erotic although not overly explicit novel about aristocratic Gabriella, a promiscuous and at first rather unlikable little princess of a girl, who plays sexual power

games with one of the players, Algy, during a cricket match. As the game progresses her interest however shifts slightly towards a different boy, working class and not at all her usual object of desire. This short piece is cleverly written with great plays on words, inventive and enjoyable descriptions of the sexual games and with an intriguing, surprising yet very believable character development in such a short space of time. The book is provocative in parts, shocking but in a very good sense and highly entertaining with its humorous but not untrue portrayal of the class system still in place in the UK. The book is playful and manages to keep your attention throughout, smoothly written, well paced and a surprise find for me. A set of interesting side characters, such as Chivers, the chauffeur, or Mary Collier, a 'runt' of a girl and sister of the newly desired boy, make this a well rounded affair with a lot going for it. If you don't mind erotic scenes this is definitely recommended. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Sex, Drugs and Sausage Rolls. Von T, J Booker Cricket has over the years gained a reputation of being a rather boring sport. If, however, the usual game of cricket panned out in much the same way as it does in Alan Hardy's Gabriella then it would be a reputation easily shirked. A pleasant mixture of cricket, sex, humour and class war, all rolled into a single English summer afternoon. With Gabriella taking the act of flirting to a whole new level, a little injection of cocaine and a pavilion all set up for afternoon tea, the phrase 'Sex, drugs and sausage rolls' has never felt more fitting. A wicket story that bowled me over and after reading just the first page there was no way I was going to bail. Gabriella scored 5 out of 5 and not out. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Lust and naughtiness Von Peter Martin Gabriella A unique and wonderful piece of writing, saturated pleasure and sensual teasing from Hardy. Twisting the game of cricket with erotica- certainly made me appreciate cricket on an entirely new level. Written in a very clever manner, spiced with humour decorating the English countryside. A bit of posh totty and a splash of alcohol or two, sex-fuelled and a blast of cocaine. It is enough to make me want to go out and play cricket! A good-paced book with love, sex, fun, lust and naughtiness. You won't want to put this one down- a super read. A strong 5\*\*\*\*\* Highly recommended.

Kurzbeschreibung You'll love this bawdy, comic account of love and sex during a cricket match, where red balls, long-handled bats and probing deliveries are ideal metaphors for the game of love. This is a game of cricket played in a way you've never seen before. Watch the love contest between Gabriella, the aristocratic hot totty, and Jim, the virginal working-class rebel. Read of Jim's balls smashing against Gabriella's body and rearing up between her legs as she pads up and tries to fight off his probing deliveries. Thrill to Jim's vicious balls divesting Gabriella of her sexy clothing until she stands defiant in her naked and beautiful glory. Read spellbound as Gabriella comes close to losing Jim to a rival. Find out the truth about Gabriella's parentage. Follow Jim and Gabriella with ball and bat as they play out cricket's equivalent of sexual intercourse. Will Jim and Gabriella live happily ever after, or will someone destroy Gabriella's plans?
