Solide - aber leider auch nur StandardVon Kindle-KundeUm es kurz zu machen, die Story beginnt sehr gut und verspricht auch spannend zu werden. Das ganze passt in etwa bis die Aliens auftauchen.Und wie immer zerstören diese Aliens die Erde und versklaven die Menschen, weil sie so tolle Krieger sind.Natürlich sind diese Aliens auch totale Flachzungen und haben trotz ihrer Technologie keine Chance gegen die Handvoll Menschen die noch übrig bleiben.Gab es so schon ein paar Mal - ist also auf dem Gebiet nix neues.Abzweigt es für "Dumme" Aliens - und "Krieger" Menschen.3 von 3 Kunden fanden die folgende Rezension hilfreich. good readVon A. NeurathI hope the story will be continued. Fast paced read with lots of action. Just the kind of book I like. Keep on writing please...p.s. I just noticed the cover is the same as on "Battle Station - Star Force Series" (B.V. Larson). You might want to consider another cover artist ;)1 von 1 Kunden fanden die folgende Rezension hilfreich. Nettes BuchVon -KundeSehr nett geschriebenens Buch mit guten Ideen; es wäre schön, wenn die angedachte Fortsetzung zustande kommt.Die Beschreibung der Raumkämpfe könnte etwas übersichtlicher sein, die Bodenkämpfe sind besser beschrieben.Die Charakterentwicklung bzw. -aufbau sind nachvollziehbar und gut beschrieben.

KurzbeschreibungFrom the author of The Slaver Wars comes a new military science fiction series. To the Kleese, the Earth is nothing more than a planet full of conscripts to fight in their wars of aggression against other planets. The Kleese are one of three large Galactic Empires that control the majority of the galaxy. To them, Earth is a dangerous planet due to the aggressiveness of the humanoid species that inhabits it. This is a species that cannot be allowed to go out into the galaxy. Once they have taken their conscripts, the planet will be destroyed.Mason Randle controls the Smithfield Mining Corporation. His main base is inside the asteroid Vesta, and he will do everything in his power to save what is left of the human race after the Kleese attack. Lieutenant Wade Nelson is a marine taken as a conscript by the Kleese. His primary goal is to find a way back to Earth. In the meantime, he will fight in the wars the Kleese are involved in until he knows enough to take the fight to the Kleese themselves. He will bid his time and someday find a way back home for himself and his marines.KurzbeschreibungFrom the author of The Slaver Wars comes a new military science fiction series.
