Von Eden Winters : Galen and the Forest Lord (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Galen and the Forest Lord (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Fairy TaleVon B. WissnerIch lese gerne Bcher von Eden Winters.Auch dieses hat mir gefallen, obwohl ich mit diesem Genre (Werwlfe etc) bislang nicht viel anfangen konnte.Aber die Geschichte ist lustig und - Gott sei Dank - nicht schwlstig. Obwohl es im ersten Drittel des Buchesetwas schwierig war, mit dem Sprache von Galen klarzukommen.Aber sptestens als er im "Waldhaus" angekommen ist, ndert sich der Ton, wird leichter und auch leichter verstndlich.Und, wie gesagt, lustig (z.B. die Anweisung zum richtigen Schneiden der Zehenngel).Eine nette

Geschichte, mit einer Botschaft hinsichtlich Toleranz.

Kurzbeschreibung Long, long ago in a faraway land, men were men (except when they were wolves), meddling aunts were meddling aunts, evil opportunists were evil opportunists, and heroes were always the sharpest swords in the scabbard. By the time Galen Olaf-kin woke up and smelled the spiced ale, it was too late, and he never finished the wicked deed for which he stood trial. Banished from his home, he flees to the forest, taking nothing but the unwanted infant he's rescued. Perhaps the legends are true and the forest lord will take them both in. The lord is said to give sanctuary to outcasts, but none of the stories mention the naughty, tempting things he whispers, or that he shares Galen's forbidden passions. Lord Erik rolls his eyes at the prophecy that says when human hands deliver a babe to the forest, hell meet the mate destined to reunite forest folk with humankind. What interest has he in a child? The handsome human who brings the babe is another matter entirely, and little things like destiny and his own bumbling won't keep Erik from claiming Galen as his own.
