KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. HmVon ShellanDas Buch hat Humor (der groe Pluspunkt) und beginnt vielversprechend. Doch irgendwie ist die Protagonistin

nicht glaubhaft - hasst sie doch ihren Gargoyle ganz frchterlich und dann liebt sie ihn irgendwie doch? Das ist nicht wirklich schlssig.

Kurzbeschreibung Summonari dont trust. Under their command, they summon any number of creatures from the Otherwoldsbut never trust them outside of the summoning. Gargoyles dont love. Fierce descendants of dragons, they function on power and fearnever love. Karla isnt the happily-ever-after type of girl. No territory-hungry guy is going to stick flags all over her unclaimed grounds. Kanns world is death and betrayal. As Dar Primus of Haus Varis, hes expected to follow tradition but hes not your regular gargoyle. In fact, hes anything but. One fateful Friday night, Otherworlds collide. Stuck together in one world or another, Karla and Kann face everything from Awakenings and turbulent love to Festnavals and bloodthirsty scorned suitors. If theres one thing they cant escape, its the addiction to each other. And theyve got it bad. New Adult Romance, suitable for readers 18+ !(Edited by Lea Ellen Borg)
