**Von John Sandford : Gathering Prey: Prey (The Prey Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Gathering Prey: Prey (The Prey Series):

KundenrezensionenHilfreichste Kundenrezensionen1 von 2 Kunden fanden die folgende Rezension hilfreich. Another Great Prey NovelVon Lynne SpreenI have enjoyed all of the Prey books. The writing is smooth, characters and situations believable but not bland, tension and pace are perfect. John Sandford's writing can serve as a model for those who are trying to learn how to write, in that he can move his characters from one place to another without belaboring it (i.e. none of that "her hand reached for the key, inserted it into the lock, grasped the cold metal, and turned the knob..." crap.) Sandford MOVES the action along so perfectly. His dialogue, too. You hear REAL people speaking, and then you get the thrill of hearing something unexpected. He doesn't repeat or belabor conversation. There's introspection, enough to make the characters deep-ish without getting too existential. And always, there's humor. The way Sandford sees the world, through his characters, makes you wish Lucas and all the rest of the gang were real people. Another great story. I read 300 pages the first day.1 von 1 Kunden fanden die folgende Rezension hilfreich. Sandford becomes boring!Von Erich PivitzLangweilig!Im Vergleich zu den frühen Bänden der Prey-Reihe, in denen der Leser noch vom Gang der Handlung überrascht wurde, folgt dieses Buch einem Standard-Kochrezept. Der Leser ahnt nach zwanzig Seiten schon, was passieren wird.Davenport's Tochter, sonst ein so aufgewecktes Kind, verhält sich so dämlich, dass es schon weh tut. Nur um die Seiten zu füllen?0 von 0 Kunden fanden die folgende Rezension hilfreich. Waste of time and moneyVon KundeThis story was boring and the characters awful. The adopted daughter - oh please!!! Totally unconvincing. why are detectives in American mysteries always so totally cliché?

KurzbeschreibungA terrifying Lucas Davenport thrillerfrom #1 New York Times bestselling author and Pulitzer Prizewinner John Sandford.They call them Travelers. They move from city to city, panhandling, committing no crime they just like to stay on the move. And now somebody is killing them.Lucas Davenport's adopted daughter, Letty, is home from college when she gets a phone call from a woman Traveler she befriended in San Francisco. The woman thinks somebody's killing her friends, she's afraid she knows who it is, and now her male companion has gone missing. She's hiding out in North Dakota, and she doesn't know what to do.Letty tells Lucas she's going to get her, and, though he suspects Letty's getting played, he volunteers to go with her. When he hears the woman's story, though, he begins to think there's something in it. Little does he know. In the days to come, he will embark upon an odyssey through a subculture unlike any he has ever seen, a trip that will not only put the two of them in danger but just may change the course of his life.From the Hardcover edition.PressestimmenPraise for Field of Prey Sandford has always been at the top of any list of great mystery writers, and this book shows why. His writing and the appeal of his lead character are as fresh as ever.The Huffington Post There is no limit to John Sandford's ability to keep new breath and blood flowing into his Lucas Davenport novels. This is a series you must be reading if you are not already.Bookreporter.comKurzbeschreibungA terrifying Lucas Davenport thrillerfrom #1 New York Times bestselling author and Pulitzer Prizewinner John Sandford.They call them Travelers.
