Von Victoria Danann : Gathering Storm (Knights of Black Swan Book 5) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Gathering Storm (Knights of Black Swan Book 5) (English Edition):

This whole series is one of the best that I have read and is permanently on my Kindle, as well as the 'real' books being bought as and when funds allow!The characters themselves are wonderful and there are so many aspects to fall in love with - the men and women themselves, the relationships between them, their loyalty, their children, the Knights and Lady, the trainees, the Sovereign - the list goes on. Even in Book 5, this story is still fresh and the characters are still growing. I honestly couldn't say which one is my favourite as they are all magnificent. You meet some new characters in this book in the

shape of 'original' vampires and Knights-in-training. This book is again action packed and will leave you breathless. It made me laugh, it definitely made me cry. I was worried, stressed and tense. All these things are GOOD because it means that I have been drawn into the world that I am reading about. HIGHLY RECOMMENDED!!!!0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr Gut! Von Francis Victoria Danann hat es wieder geschafft ein Superbuch zu schreiben. Die Geschichte ist, wie immer, voller Spannung, Überraschungen und Leidenschaft. Lach-Faktoren sind auch garantiert. Ich freue mich schon auf die andere Bcher von Frau Danann.
