Von Lily Velden : Gay as Mardi Gras (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Gay as Mardi Gras (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Don't miss out on this one!Von Belle of the SheepThis little gem captures your attention from the first sentence to the very last word.I usually prefer longer reads, but Lily Velden manages to bring her characters to life in this short novella. They are real and well developed and just loveable. It's a joy to follow Jesse on his journey, literally and figuratively

speaking. There is a depth in this story you rarely find in a book of this length. Miss Velden has a delightful sense of humour and more than once her descriptions and verbal exchanges made me laughing aloud. The sensual moments in the book range from sweet to steamy and are truly delicious to read. The cherry on the cake is Jesse's energetic grandma. Even though "Nan" only makes small appearances, I immediately took a shine to her lively nature. I couldn't put the book down once I've started and I'm sure other readers will be every bit as riveted by "Gay as Mardi Gras" as me. Definitely a new "must have" on your book-shelf and a new author to keep your eye on.

Kurzbeschreibung After the demise of his relationship with his childhood sweetheart, Janey, Jesse needs to get away. His nan has just the thing: a month-long cruise around Hawaii and the Pacific Islands. It seems perfect until Jesse realizes what kind of cruise it is. A gay cruise. Since Jesse's roommate, Daniel, is recovering from a broken heart, the two decide to buddy up. They hit it off, and with Daniel now Jesse's partner in crime, they explore the boat and participate in all the fun activities on offer with some, ah, interesting results for straight boy

Jesse. Kurzbeschreibung After the demise of his relationship with his childhood sweetheart, Janey, Jesse needs to get away. His nan has just the thing: a month-long cruise around Hawaii and the Pacific Islands. It seems perfect until Jesse realizes what kind of cruise it is. A gay cruise. Since Jesse's roommate, Daniel, is recovering from a broken heart, the two decide to buddy up. They hit it off, and with Daniel now Jesse's partner in crime, they explore the boat and participate in all the fun activities on offer with some, ah, interesting results for straight boy Jesse.
