Von Anne McCaffrey, Elizabeth Moon : Generation Warriors (Planet Pirates Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Generation Warriors (Planet Pirates Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Generation WarriorVon Rodney BuhrsmithGreat read...This is truly a space series that grabs leaving you wanting more. Its a story complete with strong hearted women that equals the Hononr Harringtons of the SF world. The Techie language is managable and the problems these women face who have been suspended in spcae for years appear to be real. I gave my copies of this series away and now wish I still had them for a reread!0 von 2 Kunden fanden die folgende Rezension hilfreich. Generation Warriors is another WinnerVon Ein KundeThis book along with Sassinak is , for me , another wonderful time out from a great story teller, Anne McCaffrey. I hope to read this series of books at

least a third time. If this book is the first of her writing you read, you will be glad there is more.

KurzbeschreibungThe fate of the galaxy is placed in the hands of Lunzie, who discovers the true nature of a new friend; Fordeliton, who is dying of a mysterious poison; Dupaynil, who is exiled; and Aygar, who tries to prove himself. **At the publisher's request, this title is sold without DRM (DRM Rights Management).**
KurzbeschreibungThe fate of the galaxy is placed in the hands of Lunzie, who discovers the true nature of a new friend; Fordeliton, who is dying of a mysterious poison; Dupaynil, who is exiled; and Aygar, who tries to prove himself. **At the publisher's request, this title is sold without DRM (DRM Rights Management).**
Synopsis Lunzie, fresh from her adventures in *The Death of Sleep*, has discovered that the one good heavyworlder she ever met isn't so good after all. Fordeliton, sent to investigate the connection between the super-rich and the planet pirates, and is now dying from a mysterious, slow poison. Dupaynil, who has made the mistake of pushing Sassinak too far, and has been exiled to Seti space. Aygar, who is out to prove he has brains as well as heavyworlder brawn. And then there's Sassinak, ordered to report to Fed Central for the trial of mutineer Tanegli. She's been told to disarm her ship when it enters restricted space; she's been told her crew can't have liberty of leave; and she's been told to follow all the rules. But the only person who might be able to stop the disaster ahead has never been to follow the rules...
