KurzbeschreibungGenre: LGBT Erotic Contemporary, YaoiSeries: Heaven Sent; Previous Book: FaithThe week before Heaven Sent's New Year's performance, Brent fractures his hand, which puts him out of commission for the show. Fortunately, it's not permanent, but it leaves he and Hell dealing with the "what if," not to mention Brent's jealousy of the guitarist taking his place. As the band members and their partners struggle to adjust, the stress brings their personal issues to light:* Tyler wants to be a parent but he's not sure Johnnie will agree. Johnnie feels the strain in their relationship, but doesn't know how to make it right.* Luc has gotten a big break in a new movie, but his new co-star wants more than his onscreen love. Reese trusts Luc, but he can't help loathing his leading lady.* Chris takes a job that will keep him away from Darien over the New Year's. If that weren't bad enough, Chris's new client is his ex, and Darien knows the ex wants Chris back.Heaven Sent needs more than a miracle to find their happily ever after. It needs...a new beginning..Publisher's Note: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: male/male sexual practices.KurzbeschreibungGenre: LGBT Erotic Contemporary, YaoiSeries: Heaven Sent; Previous Book: FaithThe week before Heaven Sent's New Year's performance, Brent fractures his hand, which puts him out of commission for the show.
