Wow!Von Verena G."Get off on the Pain" ist jetzt das 2. Buch, das ich von Victoria Ashley gelesen habe, und ich muss sagen, die hat es einfach drauf!Die Figuren sind wieder super.Die Geschichte ist wieder richtig gut konstruiert, keine Lcken, keine langweiligen Drifts in sinnloses Geschreibsel.Das Buch hat eine hnliche Tendenz wie Popcorn im Kino, man isst und isst ohne es zu merken und pltzlich greift man in den leeren Eimer und fragt sich, ob es verdunstet

sein kann. Das Buch verholt sich auch so, man liest und liest und schon ist man am Ende und hat es verschlungen, hat mitgefiebert, mitgelitten, sich gefreut und sogar eine Träne verdrückt. ;o) Ganz nebenbei ist das Buch auch mal wieder ziemlich hot! (warum hab ich nicht so einen "netten" Nachbarn???) Ich werde jedenfalls gleich den 2. Teil beginnen, kann's kaum erwarten. => Von mir gibt's eine ganz klare Kaufempfehlung! 1 von 2 Kunden fanden die folgende Rezension hilfreich. sehr gut Von Melli.S. Ein sehr gutes Buch. mir hat es sehr gut gefallen. Ich kann es nur empfehlen. Die Hauptfiguren sind sehr schön herausgearbeitet.

Kurzbeschreibung Sexy, tattooed and inevitably dangerous. Memphis is all that and more I live for the pain; its what drives me to keep moving. But there comes a time when one has to push the demons aside in order to survive. I thought I buried them deep. I thought I was ready to finally live. Until my brother, Alex; he throws me into the fire right into the place I could never control myself, the one place I never want to be again. When I put my hands on people, they get hurt. Things happen that bring me back to that night. The one that will forever torment me. Im doing fine, keeping to myself in order to ensure no one gets hurt by me. Then along comes Lyric, and all I want to do is touch her, to put my hands in places that I know will only lead to her being crushed by me. Shes the rush that I crave. The darkest of poison running through my veins, killing me bit by bit; like a drug I cant get enough of even though Im almost down to my last breath. And being around her only hurts more, but what she doesnt understand is that I welcome the pain; I get off on it, which in the end leaves me with the hardest decision of my life one that might get us all killed***Author's note*** Due to strong language and sexual content, this book is not intended for readers under the age of 18. This is a stand-alone novel that will have more books with side characters that can all be read alone.
