Nichts ist schlimmer als der Zorn einer betrogenen Frau Von LoveLetter Magazin Die drei Freundinnen Claudia, Alisha und Lishelle gehen seit Collegetagen miteinander durch dick und dünn. Claudia ist Tochter aus gutem Hause und steht mit Adam kurz vor der Hochzeit. Ihr Verlobter gelobt Besserung, nachdem er seine Braut immer fter zu Liebesspielen gedrängt hatte, bei denen sie sich nicht wohl fhlte. Alisha ist Fotografin und seit ein paar Jahren mit Charles verheiratet. Jetzt sucht sie Rat, weil sie schon monatelang kein Liebesleben mehr hat, denn ihr Mann weist sie immer wieder ab, macht ihr dann aber ein Gestndnis, das vieles erklrt. Lishelle ist erfolgreiche TV-Journalistin und nach einer Scheidung ungewollt Single. Da tritt ihr Exfreund Glenn erneut in ihr Leben und wirbt massiv um sie. Langsam geht

es für die Frauen aufwärts, bis sie erkennen müssen, wie ihre Männer wirklich sind. Die Beurteilung zu "Enthemmt" füllt durchwachsen aus. Die Damen erzählen abwechselnd aus der Ich-Perspektive und in der Gegenwartsform von ihren Problemen, beraten gemeinsam bei einem Cocktail-Lösungen und geben sich gegenseitig Rückhalt. In der ersten Hälfte des Romans ist der Sex oder sein Fehlen das Hauptthema. Der Akt selbst, wenn er denn mal - harmlos - explizit beschrieben wird, ist aber kaum erotisch. Doch das Durchkämpfen durch die sich wiederholenden "Sex and the City"-Gespräche lohnt letztendlich. Als die Herren der Schöpfung nämlich meinen, auf ihnen herumtrampeln und sie auf's Kreuz legen zu können, luft das schwache Geschlecht zu olympischer Form auf. So bewahrt sich auf schadenfreudige Weise der alte Spruch, dass nichts schlimmer ist, als der Zorn einer betrogenen Frau.

Kurzbeschreibung For the past year, self-proclaimed Black American Princess Claudia has been planning her perfect wedding, destined to be the event in Atlanta's black society. But when her prince gets cold feet, she's stunned and humiliated. She's done things in the bedroom with this man that her mother would disown her for! Annelise is frustrated. How long can a woman go without getting some from her husband? The man she supported through law school, who she signed a prenup for. But it seems the man who used to want it all the time is still getting it from another woman. Thank goodness their devotedly single friend Lishelle has a couch to spare. But when The Guy Who Got Away in college reappears in her life, she starts envisioning a walk down the aisle. Ignoring her friends' advice, she agrees to guarantee his bank loans for a new business. A girl's got to invest in her future husband, right? But once he gets his hands on her money, he disappears. After a little digging, the women discover that the jerks they've trusted have betrayed them in ways they'd never imagined. As the scorned friends bitch over a bottle of wine, an idea begins to take shape. Letting these weasels slink quietly out of their lives is too good for them. These women want revenge.
