adorable erotic moving second book in this amazing series!!! Von Bianca @BJsBB4.9 Stars Do we all remember how the first book ended? I had to do a little re-read to remember #BooksAlzheimers!!! Cassidy and Shaw were both fighting with all they had to get the partner position in their sports agency. And at the end of book #1 Cassidy would've signed this most important client, which would've gotten her the job - BUT - she declined and let Shaw have it all! He accepted, but he can't be bested by a girl just like that!!! Why did she do that? Why did she let him win? Because he told her about his sad childhood? Because they had sex? Why? Only one way to find out - ask her! But she's gone! Gone home to Maine, to take care of her parents' Bed Breakfast, because her mom broke her leg. And what does Shaw do? Call her? Nope - he follows her to Stonington, Maine. This adorable little fisher island town. But Shaw is not the only one after Cass. There's also her bestest and oldest friend Casey. The hottest guy in town. And he's still single and still interested! Casey was always hoping for a happy ever after with the girl he grew up with. And Shaw? Never did any happy ever after thought ever cross his mind. But Cassidy? She changed him. Lots of sexiness happens in Maine.... But of course our darlings will still have some fighting to do, to get to their Happy Ever After!!! WHAT WILL HAPPEN TO SHAW CASSIDY?? WILL THERE BE A HAPPY END???? What about Casey? What about this new character Mia? Will there be a horrible Cliffhanger?? I'm not telling you, of course Ok, there WILL be a tiny little Cliffy
..._____ Great 2nd book! I really enjoyed it! It was something completely different from the first one. We're not in San Diego anymore - no boardroom deals - no suits - no big money. We're in this cute little town where everybody know everybody else's business. And poor Shaw doesn't fit in at all. He would love to fit in though. All that home-cooking and cookie-baking and those nice old ladies. He wishes that one of them would adopt him. He had a horrible childhood back in Detroit. But he's not in town to get adopted. He wants to talk to Cassidy - and maybe take her to bed a few times - and then go back home. But there's this Casey guy sniffing around his Cassidy!!! It was so adorable to read about poor Shaw fighting for something he didn't even know he wanted. We have LOTS of verrrry sexy scenes!!! And lots of very moving scenes!!! Poor Shaw, poor Casey --- lots of awwww moments! I really enjoyed this book - and I loved the location and Cassidy's Casey's family. All so adorable and loving. Were there some things I didn't like? Hmm.... maybe the way Shaw talks too much to us or rather to himself. He digresses here and there and everywhere - it's a tiny bit too much. But he's still an amazingly cool guy!!! Also - this whole second book was NOTHING like the first one. I kinda had this whole cheesy Nora Roberts Romance Feeling. This cozy little island with lots of sexi romance happening. BUT I loved that - it was just so far away from book #1 and from how our darlings acted in book #1 GETTING ROUGH was the perfect second book in this series! Very funny adorable moving erotic!! Go and get yourself some Shaw Casey! And please Ms. Parker - GIVE. ME. COMING. CLEAN. asap!!!

Kurzbeschreibung Hotshot San Diego sports agent Shaw Matthews and his sexy professional adversary Cassidy Whalen have gone head-to-head in the boardroom - and the bedroom. Now Shaw has scored a big promotion - but only because Cassidy turned it down and ran off. There are many things he wants when it comes to Cassidy . . . but her pity isn't one of them. So Shaw rushes to a small town in Maine to retrieve his dignity - and maybe the woman he's hungry to claim once more. Cassidy has pushed herself to the max to realize her career dreams - until a family crisis brings her home. But Shaw isn't letting Cassidy go that easily. Neither is gorgeous Casey Michaels, the childhood sweetheart she left behind - and who now wants to win her back. As the rivalry between the two alpha males intensifies, and Shaw's seductive moves reach a whole new level of heat, Cassidy has to make a choice. And this time, it's for the highest stakes of all. Pressestimmen Praise for Getting Rough The second Monkey Business contemporary (after Playing Dirty) plunges right into the multifaceted liaison between Shaw Matthews and Cassidy Whalen, secret lovers and openly competitive business associates, as heartfelt emotions, misconceived assumptions, and natural disasters make for rough adventures. . . . [C. L.] Parkers fast pace, rapier wit, and sharp dialogue perfectly merge with the simmering sexual tension in this lust-to-love tale that fans will devour. Publishers Weekly Forces of nature conspire to represent the deep emotional involvement between the main characters in this hot-blooded novel by Parker. Mother Nature is also the perfect foil to the lives of the varied inhabitants of this sexy tale. The title is apt as the lovemaking grows from sweet to wild for each willing participant. RT Book sPraise for C. L. Parkers Playing Dirty Fun, action-packed . . . Readers will be eager to read the sequel, hoping for more rough and dirty sexual acrobatics, friendship, backstabbing, and empathy. Publishers Weekly This snappy, sexy novel moves at breakneck speed, with abundant snark and sports euphemisms. . . . Parkers penchant for dry humor and vivid, voracious sex scenes breathes life into a well-trodden premise. Library Journal Parker writes intense storylines that anyone can relate to. Her characters are complex, with long and sometimes turbulent pasts that they have overcome, that still continues to affect their present. . . I cannot wait to see where she takes this new series. Fresh Fiction Werbetext For fans of Bared to You and Beautiful Bastard comes an irresistible new series in which competition is the ultimate seduction.
