KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Am I "GETTING THERE"?Von Ein KundeAren't we all wondering: Why are we here? What is the purpose of life? How and where do we find the Truth? Michael Roads, in his books, starting with SIMPLE IS POWERFUL, via TALKING WITH NATURE, JOURNEY INTO NATURE, JOURNEY INTO ONENESS and INTO A TIMELESS REALM, leads us along his own path to "awakening". I read his latest book, GETTING THERE, while hurricane Georges was roaring over our house with a measured windforce of 175 miles an hour, and I couldn't put it down. It is a great book. I

loved the descriptions of Australia's nature, the drought, the romance, the fruit recipe and the awakening. I don't know if I am GETTING THERE, but thinking along with Michael helps a lot.0 von 0 Kunden fanden die folgende Rezension hilfreich. I can't put it down!Von Ein KundeI came across this book last week in a bookstore and having read "Into the Timeless Realm", I decided to give it a shot. Well, what a find! I'm over half way through it and I just can't put it down. It's a wonderful story that reminds me of Jane Roberts' Oversoul 7 trilogy. I don't know if Michael Roads has ever read any of Jane's or Seth's books, but his works cover many of the same topics and reinforce the "you create your own reality" ideas put forth by Seth. I'm looking forward to the next 2 books in Mr. Roads' trilogy.0 von 0 Kunden fanden die folgende Rezension hilfreich. I like to have a book effect me or stimulate me or take me for a ride. Here is a book to do all that. I have read this book twice and I recommend it to everyone. Michael Roads is making a contribution to the growth potential in all of us.I have been to hear Michael talk and always leave with motivation and insight with which to effect change in my life. GETTING THERE sits waiting to do the same at any reading! Thanks Michael!
