Von Bear Grylls : Ghost Flight (Will Jaeger) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ghost Flight (Will Jaeger):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein spannendes Buch, aber leider nicht abgeschlossen ... Von Karsten Habe das Lesen des Ebooks genossen, jedoch ist es leider nicht in sich abgeschlossen, also hat ein offenes Ende. Dies finde ich schade, auch im Hinblick auf den Preis des Buches. Das Buch ansonsten ist spannend, unterhaltsam und voller interessanter Fakten, es fllt sehr schwer, es aus

der Hand zu legen. Wegen des offenen Endes aber leider nur 4 Punkte, sonst wren es sicher 5 geworden. Ich hoffe, der nachfolgende Band kommt schnell raus, dann wre eine 5-Punktewertung angemessen. Gru, Karsten P.S.: Ich freue mich auf den nchsten Band!!! 0 von 0 Kunden fanden die folgende Rezension hilfreich. cool story Von Ace Good book, Nice story. Maybe not as exciting as I anticipated, but still cool and thrilling to read. A recommendation for history and military lovers.

Kurzbeschreibung THE BOURNE IDENTITY meets Indiana Jones - a debut thriller to take your breath away. A mother and child savagely abducted from a snow-swept mountainside. A loyal soldier tortured and executed on a remote Scottish moor. A lost warplane discovered in the heart of the jungle, harbouring a secret of earth-shattering evil. A desperate race to defeat a terrifying conspiracy emanating from the darkest days of Nazi Germany. One thread unites them all. Only one man can unravel it. Will Jaeger. The Hunter. GHOST FLIGHT, the explosive debut from TV presenter and survival expert Bear Grylls, was inspired by the experiences of Bear's grandfather, Brigadier Ted Grylls, and his role in a secret task force during World War II. Pressestimmen A gripping thriller set in the darkest of days (Jonathan Ross) Will resonate with fans of classic spy thrillers . . . a modern-day conspiracy to raise Hitler's Third Reich from the ashes (Mail on Sunday) Unputdownable! Bear has made the leap into fiction with great ferocity (Sir Ranulph Fiennes) If you're looking for an entertaining read, a good story and a how to survive the most challenging of conditions then this is definitely the book for you. I thoroughly enjoyed the read and can't wait to see what happens next as Bear leaves the door open at the end and you know full well that something's about to happen in the future. (Miles Orchard Milo Rambles) Brilliantly done... [This is a] thought-provoking read with a story that is, at times, frighteningly realistic and believable. The whole has been beautifully researched. (Book Addict Shaun) [A] fast and furious debut novel (Press Association) An impressively strong fiction debut from one of the best known TV faces of survival and outdoor adventure, Bear Grylls makes full use of his military and survivalist background to deliver a rip-roaring and vividly colourful Boy's Own-style thriller. (Myles McWeeney Irish Independent) Ghost Flight is a great adventure story: huge spiders, deadly piranhas, unforgiving terrains, evil Nazis, and death at every turn. What's not to like? Jason Bourne meets Ban Hope with a dash of Indiana Jones in an adventure series set to continue. (Buzz Magazine) "This debut thriller by the adventurer Bear Grylls is enthralling. Grylls excels in describing the trials and tribulations of tramping through uncharted rainforests..." (Christina Hardyment THE TIMES) Werbetext Bear Grylls, star of MAN VS. WILD, delivers his explosive debut novel featuring incredible new action hero, Will Jaeger.
