story with an unexpected twistVon Valerie-Jael TupsEasy to read, never boring, the story unfolds, light and happy, but

with little fingers of suspense and chills creeping in!

Kurzbeschreibung Caitlin King can't believe that her shopaholic cousin actually bought two ghosts off of eBay. But she can't ignore the truth when she starts seeing sexy Liam O'Reilly, who's been dead for over a hundred years. He's a fascinating specter, and the more time Caitlin spends with him, the closer they become, sending them both spiraling into a star-crossed tailspin. No matter how desperately they long for each other, there's just no future with a guy who's already stopped breathing. In order to help Liam and his twin sister, Anna, leave their earthly limbo and cross over into the light, Caitlin must find the ghost of Anna's fiancé. But a malevolent spirit is dead set against Anna moving on. Now Caitlin will have to unravel the mystery surrounding the twins' past lives in order to keep Liam's spirit safe, even if it means sacrificing her heart in the process.
