Von Nina Bruhns : Ghost of a Chance (Shivers (Intrigue)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ghost of a Chance (Shivers (Intrigue)):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Buried treasure and a sexy pirate with an eye patch! Magic!Von Deborah MacgillivrayTwo hundred years ago - well actually one week short of two hundred years ago - on Frenchman's Island, Captain Sullivan Fouquet and Tyree St. James, pirates, end up in a fight. The woman they both loved, steps between them to keep St. James from killing Fouquet. Instead, she is wounded and dies. Fouquet fights with St. James, even though he tries to convince his friend it was an accident Elizabeth stepped in front of the bullet. Fouquet does not listen but attempts to kill St. James. He tries to avoid his friends murderous intent, but in the end, he is forced to defend himself. As Fouquet lies dying, he curses St. James to walk the earth for two hundred years - or until he finds a love so strong the lady is willing to die in his place,

as Elizabeth did for Fouquet. We jump into the first one week short of that two hundred years, and St. James awakens in a woman's bedroom, well actually it's his cottage and his bedroom - or was - two hundred years ago. But now it belongs to a woman, at least it does for a week. And not just any woman, but Clara Fergusen. It's rather shocking for Clara to find St. James in her bed. He's gorgeous, dashing and claims to be the infamous Tyree St. James, a pirate who lived two hundred years ago. After spending a night in his arms, Clara little cares if he is a 200-year-old pirate or just one sexy man with a slight delusion. Clara is on Frenchman's Island, doing research on the lost pirates treasure St. James and Fouquet had buried, and ends up staying in St. James' Rose Cottage. Clara has a mild obsession for pirates, and secretly harboured a fantasy of having a dashing pirate swept her off her feet and into a high seas adventure. So, she is more than ripe to fall for the sexy pirate with the eye patch. Only, St. James is determined to keep Clara at arms length. He only has one more week to go before he is released from the curse. If he let's her into his heart, he knows the curse will claim her, for to love him means she is willing to give her life for his. It's a delightfully whimsical tale that enchants the reader from beginning to end. Yo ho ho and a bottle of fun!

Kurzbeschreibung Could the gorgeous man she'd found in her bedroom--in her bed, to be precise--really be who he claimed to be? The infamous pirate Tyree St. James caught in a curse for the last two hundred years? And after one night in his arms, did Clara Fergusen really care? Tyree knew better than to let a woman--even a woman like the adventure-seeking Clara--into his heart. Hell, he'd had two hundred years to consider the consequences. Nothing could change the fact that he only had one week left--and that any woman who fell for him would risk losing much more than just her heart....
