JadeReviewer: Stephanie Jordan#ParanormalMs. Jade out done herself this time, this book kept me glued to my seat. Reading each page, one after another to see what happened next to these two. Knowing that both of them had been through the ringer and deserved HEA. (Happy Ever After) Corrine Ayres is a she wolf from the Villalobos compound but she had to leave with Zane and Mahalia there (from book 5)See before Zane was kidnapped, drugged, lost all his memory, not even knowing his name and made to be a killer. He was sweet, gentle Felix, Corrine True Mate before the bonds were broken which left Corrine broken. So now she's at Angels Rest, but she will continue to uphold her promise to the Alpha of Mesa Diablo to find the Kingdom Guard's Outpost.Javier Roque left Angel Rest and went to Los Angeles and never looked back. He owned a Tattoo Shop and over the years he's made a name for himself. But he's came back to Angel Rest, driving back and worth because his MeeMaw is dying and he has to make sure she is being taken care of and not doing things she shouldn't do. Since he made arrangements for someone to take care of this shop, he has decided he was going to help Corrine find the Kingdom Guard's Outpost.
