Kurzbeschreibung When Ben's best friend Grant died, all Ben's unspoken hopes for love died with him. Grant's return

as a ghost eased Ben's heart, and even saved his life, but that could never be enough. So Ben left town. Now in a Florida hotel room he discovers that he failed to leave Grant's specter behind. When the meddling ghost urges Ben to go out and have a drink at a bar, he isn't expecting to run into supernatural trouble, or a sexy man like Talon. But that combination may turn out to be just what Ben needs to learn to live again. If he survives the experience.
