Kurzbeschreibung John Milton is a ghost. He was Number One. The most dangerous assassin in Group Fifteen, the black-ops organisation that solves problems when diplomacy has failed. Now Milton is Her Majesty's most wanted fugitive, an anonymous loner with a deadly set of skills. So when he is arrested following a brawl in a Texas bar, the last person he expected to bail him out was a glamorous operative from the Russian Secret Service. Milton is blackmailed into finding his predecessor as Number One. But she's a ghost, too, and just as dangerous as him. He finds himself in deep trouble, playing the Russians against the British in a desperate attempt to save the life of his oldest friend. Some ghosts are better left alone. But these two have been disturbed and now there's going to be hell to pay. What reviewers are saying: "It's impossible not to think of Lee Child's super-selling Jack Reacher." - The Times "A literary sensation." - The Daily Telegraph "Dawson writes the kind of thrillers I love. Non-stop, grab-you-by-the-throat tales of doing the right thing no matter the odds. Simply excellent." - USA Today bestselling author Brett Battles What readers are saying: 'Move over Reacher and Bond!' 'The characters are well written. The pacing is excellent.' 'Strong, relevant and very cinematic.' 'Dawson is a great writer, painting vivid pictures with his descriptions.' 'Incredibly entertaining and fun.' 'A slam dunk winner.' 'Remarkable book!' 'John Milton is three-fourths Jack Reacher and one-fourth John Rain and Mark Dawson reaches the sublime high level of character, story, writing and entertainment achieved by Lee Child and Barry Eisler.' 'I am thoroughly hooked on Mark Dawson's writing. No dull pages, just smooth flowing lines from start to finish.' 'Simply awesome.'
