Von Sarah Gilman : Ghosts of the Falls (Entangled Ever After) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ghosts of the Falls (Entangled Ever After):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. 3,5 stars for a lovely ghost story Von Claudia this is an absolutely lovely story about love at first sight - it was sweet, simple and really lovely. Jade is an exorcist, who made a mistake and now has the last chance to prove herself to her family to stay within the business. Dutch is a ghost who died more than 100 years ago and wants to end his existence. Neither of

them expects to find the other - which changes everything. I loved the sparks and the start especially because it was a story which could happen to everyone - except maybe the ghost part. There is not much suspense or action in this story, but it does not need that. Although I would have loved a bit more explanation at the end it was a sweet read which makes you feel better and believe in the good things. This book was provided from the publisher in exchange for an honest review.
