amazing book in the St. Barts series. Von Bianca @BJsBBSunny and Sven are finally happy with their lives...with their adorable baby Bliss. But of course lots of problems are still to overcome for our darlings. Ghosts from the past: Astrid, a former lover of Svens - living in Oslo, hoping to rekindle their affair once Sven comes back to Norway. Then there's Svens good friend and colleague Henry, who was already very sick in the last book. And Sunny still hasn't mentally healed from Clydes attack and that might bring some issues into the marriage. Lots of problems, but lots of cute and funny and romantic and sexy moments too. This is such an amazing series. I would love to have a new book to read every month for the rest of time I wish Hollywood would make a TV show out of it!! And now I'll read Brothers of St. Barts can't wait to get started!!!
